Ms. Connie Rios
5 North Canal Street
Lyons, New York 14489

Dear Ms. Rios:

I have reviewed the petition to seek a referendum on the question whether the Village of Lyons Elector Initiated Dissolution Plan shall take effect. This was presented to me on December 18, 2013. My findings are as follows:

615 original signatures were presented. I have verified each individual signature to the Wayne County Board of Elections Summary Voter Master List dated November 20, 2013.

I do determine, to the best of my ability, that the number of signatures on the petition is sufficient and the petition is valid.

Sincerely,

Denise Darcangelis
Clerk Treasurer
